Temporary measures concerning visitors

Dear Visitor,

Please note that the RÖSLER group has taken additional precautions concerning guests who wish to visit either of the two RÖSLER sites in Germany.
This is caused by recent developments concerning the global outbreak to the coronavirus.

We would therefore ask any guest visiting our sites in Memmelsdorf or Hausen to fill in and sign a voluntary disclosure form. With this document, you confirm that you do not fall into any of the stated categories.

If you meet one or several criteria, we would like to ask for your understanding that we are not able to grant you access to the RÖSLER premises currently.

You need to send the completed form to us in advance and present the original at our reception desk when you arrive.

It is compulsory to wear a mask in all company buildings

Thank you for your understanding and support.

This precautionary measure is effective immediately until further notice.

Memmelsdorf and Hausen, 28.10.2020

As part of our internal safety precautions against Covid-19 (coronavirus), we would like to ask you to fill in this form prior to your visit.

Due to the current corona situation and to take current developments into account, we have adjusted our regulations.

Please send the completed form **no earlier than 2 days before your planned visit** by e-mail to your RÖSLER contact person and present the original at the gate at the main entrance on the day of your visit.
